FAIR WEATHER PUTS Y COURTS IN SHAPE

The Y. M. C. A. is today harvesting its fourth or fifth crop of weeds on the tennis court. So far this year the weather has made it practically impossible to use the courts, but unless heavy rains occur the court will be ready for use tomorrow afternoon. This will no doubt be welcome news to the tennis enthusiasts. The experience of the association to date emphasizes the necessity for a court that can be used regardless of local showers. The association hopes in the near future to have good news to report along the line of a more permanent court.

Porosity.
Strictly speaking, there is nothing that is imporous. Glass has a very small degree of porosity.

EASTERN TROOPS CRY PATRIOTISM

Connecticut Boys Stop in Special Trains in Rock Island and Shout Devotion to Old Glory.

FOUR THOUSAND PASS THROUGH

Rock Island and Milwaukee Lines
Route of Travel of Khaki-Clad Youngsters Bound for Line.

"We're on our way to Mexico to get Carranza, Villa and the whole blamed bunch of greasers." This was the cry of some 4,000 Connecticut troops that passed through Rock Island today on special trains on the Rock Island Milwaukee lines. Flags waving and with shouts and songs the boys from the east yelled and cried their patriotism to the good old U. S. A. They were the first of the colors gave no doubt that if they get into Mexico they will depopulate the land of the greasers.

At 8:25 last night the first trainload of Connecticut artillery passed through Rock Island over the Rock Island lines. There were 600 on the train. At 11 last night the second trainload passed through this city over the Milwaukee lines. It carried Connecticut infantry. There were 500 men on the special.

At 11:30 this morning the third special stopped at the Milwaukee depot. It carried 600 members of Connecticut infantry. An hour later a fourth train bearing 600 infantrymen passed through on the Milwaukee. On the Rock Island lines, at 1:05 this afternoon a trainload of infantry passed through. At 1:45 another special drew up to the Thirty-first street station, where engine and crew were changed.

More Expected.

More troop trains are expected tonight on both roads. Members of Company A while waiting for the call from Springfield met the trains at the depots and saluted the boys from the east.

There was a longing look in the eyes of the Rock Island militiamen. That they were envious of their eastern compatriots who have been called out early in the trouble there is no doubt and many hopes and wishes were expressed that the war department and Springfield would get busy right away and summon the Sixth Illinois.

It was a worth while sight to see a troop train. It aroused patriotism and a feeling of pride in the American. The flags waving in the air, the shouts for the flag from the militiamen and the eager expression on their faces gives the onlooker a feeling of satisfaction that he is living under the folds of old glory.

The troops that passed through Rock Island are like the members of Company A. They aren't going to the front because they have to, but because they want to go.

Cars of Field Wagons.

The trains contain eight flat cars on which the field wagons are carried. There are also five freight cars in which arms and other equipment are carried and a dozen or more passenger coaches on which the men ride.

The Connecticut boys declared they were bound for Nogales, Ariz. "After we get there," said one, "we'll get further if the greasers don't listen to Uncle Sam. We'll make 'em hear."

MAIL SERVICE IS TO BE IMPROVED

Free Delivery Into Newly Annexed Territory to Rock Island Will Be Extended.

ARE TO DROP SEARS OFFICE

Will Be Abolished as Distributing Station But Continued as a Postal Station.

More of the new south side territory annexed to the city a year ago, will receive the benefit of the free delivery service of the Rock Island postoffice, commencing tomorrow. A year ago the service was extended as far south as what is now Twenty-ninth avenue, or formerly Center station. The new route to be added will include the whole of the old town of Sears, and run as far north as it is possible to extend it, and it may be that in the same connection more of the territory south of Twenty-ninth avenue will also be taken up, but a portion at least, will still be served by the rural carrier.

"It is the desire of the postoffice," said Postmaster Simpson this morning, "to cover the entire annexed territory with city carrier service, as rapidly as possible. Considerable headway has already been made, but some of the territory is so sparsely settled, that it will be impossible to reach it at the present time. How far the service will go now, will depend upon circumstances and conditions, and the extent that each patron of the office complies with the regulations as to house numbers, providing mail receptacles and sidewalks. People in the new territory have cooperated to a large extent with these stipulations, and if they will continue further to assist the postoffice it will not be long until they will receive the benefits of the city service."

To Abolish Office.
"In a short time the Sears office will be abolished as a distributing station, but will be continued as a postal station of the Rock Island office, that is to say the branch postoffice will be abolished."

"Furthermore, commencing Monday, carriers will begin their vacations, and this will necessitate a number of substitutes being placed on the routes, and while these are all trained and efficient men, and will do their utmost, some unavoidable errors may occur, and I trust the people will be patient and promptly advise this office of any errors."

Another parcel post auto will be placed in service tomorrow, and in addition to delivery, will afford means of making the evening collection by means of an auto, and enable the extension of the evening collections further south, into the hill district and also further east.

Dress Up

FOR

4th of July

Your celebration of the Fourth will be made happier if you can feel that you are well and correctly dressed. Don't allow your pleasure to be spoiled by that uncomfortable feeling. Dress for the occasion in Summer apparel. Call and see our Summer suits, shirts, underwear and straw hats.

1724 SECOND AVENUE, ROCK ISLAND, ILL.

AUTO AND CYCLE CLASH; BOY HURT

Theodore Seiter, son of Mr. and Mrs. H. J. Seiter, 1000 Fifth avenue, was badly injured in a collision with an automobile last night at 9 o'clock in Long View park. The auto, owned and driven by A. M. Katherans of Davenport, was going one way on the main road through the park and it had just reached a point near the curve to go up the hill, when the Seiter boy, riding a bicycle, going in the opposite direction, collided with the machine. He was thrown heavily to the road and sustained a severe fracture of the right leg just above the ankle, four bones being broken. Bruises about the body were also indicated. The bicycle was wrecked. The boy was removed in the city ambulance to his home, where he will be confined several weeks as result of the mishap.

He was thrown heavily to the road and sustained a severe fracture of the right leg just above the ankle, four bones being broken. Bruises about the body were also indicated. The bicycle was wrecked. The boy was removed in the city ambulance to his home, where he will be confined several weeks as result of the mishap.

GRADUATE NURSES TO RECEIVE DIPLOMAS

Nine young women will receive their certificates and diplomas from the Watertown state hospital training school for nurses at exercises to be held in the assembly hall of the hospital Wednesday evening, July 5, at 8 o'clock, the members of the class being: Misses Muriel Frances Casper, Ethel Chamness, Louise Castleton, Bertha Delmoss, Clotilda M. Ewars, Mamie Gilmore, Mae Mathias, Emma Montgomery and Stella Patterson.

Invitations have been issued by the graduating class and the superintendent, Dr. Charles Francis Read. The program of exercises arranged for the evening follows:
March—Orchestra.
Invocation—Rev. J. V. Kennedy.
Selection—Orchestra.
Address—Hon. Fred J. Kern.
Greetings from the state charities commission—Secretary A. L. Bowen.
Selection—Orchestra.
